

COMMUNITY CHRISTMAS PARTY

ON THE 20TH DECEMBER

We end our first successful year of operation at Hornsby Connect.

We are getting bigger and bigger with over 260 registered families as the word spreads throughout our community. We're expecting it to be exponentially larger next year.

Steve Hopwood, our President, will be making a guest appearance as Santa with his helpers.

It's very much a festive occasion. Our clients get an opportunity to celebrate with others, that's the key element. At Hornsby Connect we wanted to create a special day that fosters friendship and communicate the importance of giving and sharing in the community.

CHRISTMAS IS A TIME OF GIVING – SHARING IS GIVING

The Sovereign Grace Church at Wahroonga is a Christian community seeking to explore issues of faith and life in ways that make sense in contemporary Australia. A church should be a place where people find acceptance, encouragement, hope and meaning as they connect with God and each other.

SGC have kindly offered to donate Christmas Hampers and volunteers to help with our mission.

Friends of Mt. Colah have once again come to the rescue as they will be distributing toys at our Community Christmas Party to those families who cannot provide toys for their children. These members of 8 – 10 women work tirelessly on projects throughout the year. Why not join this fantastic group in the Mt. Colah district? New prospect members can reach the Friends of Mt. Colah on their [Facebook page](#).

We've been humbled by the support of the Sovereign Grace Church and the Friends of Mt. Colah, who will help Hornsby Connect bring Christmas and spread the festive cheer to families experiencing financial hardship at our Christmas party.

Our work is crucial in helping vulnerable people in our community.

**Remember – A Hand Up For People In Need!
We would have little to be excited about without YOU.**
