HORNSBY CONNECT

I am delighted to be a Patron of Hornsby Connect.

Their vision for deeper and broader support for residents in need will make a lasting difference in Hornsby Shire.

The strength of a community can be measured by its inclusiveness. Providing support for people with disabilities and their carers; providing counselling and workshops for people struggling with addictions; providing language classes for residents from culturally and linguistically diverse backgrounds – all these activities strengthen the resilience and cohesiveness of our community.

By providing a vital Community Hub, Hornsby Connect will make a difference for local residents who need this support.

I commend the hard work of Hornsby Connect President Steve Hopwood, Senior Vice President Doug Reid, Vice President Bill Bradley and their dedicated committee and acknowledge the support they have received from local churches, Lions Groups and other sporting and community groups.

Yours sincerely,

A handwritten signature in blue ink that reads 'Julian Leeser'.
